

## Friends of Art History Guest Lecture

April 10, 2025  
Mitchell Hall 191  
5:30pm to 7:00pm

**Nancy J. Troy**

Victoria and Roger Sant  
Professor in Art Emerita

Department of Art  
& Art History

Stanford University

## Mondrian's Dress: Yves Saint Laurent, Piet Mondrian, and Pop Art

In this presentation, Nancy J. Troy examines Yves Saint Laurent's wildly popular series of Mondrian dresses of 1965 to reveal the significance of these designs for the French couturier's career, their impact on Piet Mondrian's posthumous reception, and their resonances with the Pop art of Roy Lichtenstein, Tom Wesselmann, and Andy Warhol.
