UWM Youth Wind Ensembles program (UWAY)
FALL CHAIR PLACEMENT AUDITIONS – Sunday, August 26, 2018
These auditions will determine your primary part assignments and seating for the full concert season. Adjustments to the seating order and part assignments are always at the discretion of the conductors.

Location  UWM Zelazo Center for the Performing Arts
          2419 E. Kenwood Blvd., Milwaukee (UWM Campus)
Time      See the timing for your instrument group below. If you are unable to audition within your group, you need to notify Dr. Corley directly and as soon as possible (scorley@uwm.edu). These alternate arrangements are not preferable, and we hope to avoid re-scheduling in most cases.

UWAY Fall Chair Placement Audition Requirements
It is possible that only a portion of the requirements below are asked for in the actual audition; but please prepare the requirements completely.

- Prepare 5 major scales for your personal range of your instrument: in your instrument’s keys of C, F, B-flat, G, and D. If multiple octaves of a particular key are possible, please prepare them to demonstrate your range, flexibility, and technique.
- Prepare a (minimum) 2-octave chromatic scale: A minimum of two octaves at a regular tempo with a consistent rhythmic pattern. Articulation should be all-slurred.
- Prepare the required excerpt(s)/etude(s). Note suggested tempo(i) and any other performance instructions (if indicated). For the sake of time during the audition day, the audition adjudicator may ask for only certain portions of this material, but it should all be prepared.
- Sight-reading: A short sight-reading example may be provided; study it in silence for about 20-30 seconds and then play it.
