| 1 | Arts@Large (2-4) Programming takes place at various MPS school sites throughout the City of Milwaukee  
A@L offices:  
908 S. 5th Street  
Milwaukee, WI 53204  
[https://www.artsatlargeinc.org/](https://www.artsatlargeinc.org/) | Arts@Large provides arts education services to students in Milwaukee Public Schools through workshops, residencies and whole-school model programs. Arts@Large interns will be paired with a Lead Teaching Artist to implement Arts@Large programming in K-12 classrooms. The intern may also have the opportunity to participate in A@L school-based and off-site professional development to learn about classroom management, student engagement, lesson planning, arts-integration strategies, and trauma-informed care.  
Students will be assigned to A@L teaching projects based on their interest, areas of expertise, and availability. Applicants should indicate **when they are available during MPS school hours (7:30am-3:30pm)** within their application. | $1,200 (2-4)  
• 8 hours per week for 15 weeks or 120 hours total  
• Interns must be available during the MPS school day (7:30am-3:30pm) |
| 2 | Haggerty Museum of Art  
530 N. 13th Street  
Milwaukee, WI 53233  
[http://www.marquette.edu/haggerty/](http://www.marquette.edu/haggerty/) | The Haggerty Museum intern will work with the Museum's arts education field trip and outreach programs. Designed for first through eighth grade students, Haggerty outreach programs use paintings, prints, and photographs from the Haggerty's permanent collection to address a variety of academic, social and global issues. The program includes hands-on, in-school workshops and a subsequent visit to the Haggerty Museum of Art.  
The primary responsibilities of the ArtsECO intern will include scheduling workshops and tours, creating didactic materials, leading museum tours, and developing collaborative opportunities between the Haggerty outreach programs and the Milwaukee community.  
Intern applicants should be available for one full day per week throughout the fall semester.  
More information about the Haggerty Museum outreach curricula can be found here:
