

Atmo Club: Career Panel

Careers in Atmospheric Science

Come join us, October 19th, to hear from guest speakers in different fields of Atmospheric Sciences. They will be discussing what they do in their career, how it relates to atmospheric science, and how to get into the job field/what coursework and experience is necessary.

Panel Of Speakers:

Stephanie Barrichello (WITI-TV FOX 6, Broadcasting)

Mike Westendorf (Innovative Weather, Private Sector)

Eric Henrichs (Milliman, Actuarial Analyst)

Sarah Marquardt & James Wood (NWS-Sullivan, Meteorologist)

Frances Hardrick (We Energies, Air Quality)

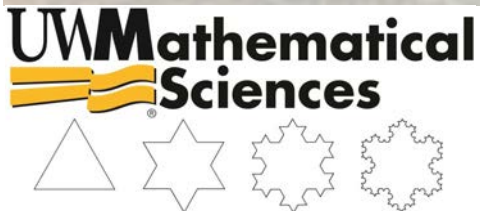

Kate Fossell (National Center for Atmospheric Research, Research)

Wednesay, October 19 at 6pm

Bolton Hall, Room B40
