Biological Sciences Minor Requirements (as of Fall 2015)

The minor consists of 19 credits in biological sciences including the core introductory sequence (Bio Sci 150 and Bio Sci 152); a gateway course selected from the following three options: 1) Bio Sci 310, or 2) Bio Sci 315 plus Bio Sci 316, or 3) Bio Sci 325 plus Bio Sci 316; and at least 7 additional credits in courses that carry credit toward the major. At least 9 credits must be taken at or above the 300 level in residence at UWM. Students must maintain a GPA of 2.5 in minor courses attempted at UWM. In addition, students must attain a GPA of 2.5 in all minor courses attempted, including any transfer work.
