

Radiologic Technology Professional Training: UWHC Madison

When registering for classes, use section codes 105 or 905 (clinical education).

DMI abbreviation stands for Diagnostic Imaging in PAWS.

CLINICAL TRAINING: FIRST YEAR

Fall Semester	Credits
DMI 306 Imaging Procedures I	5
DMI 350 Intro Radiologic Science & Healthcare	2
DMI 351 Radiation Protection	2
DMI 353 Principles of Imaging I	3
DMI 355 Radiography Clinical Ed I	3
Total	15

Spring Semester	Credits
DMI 307 Seminar in Radiography I	3
DMI 308 Imaging Procedures II	5
DMI 362 Principles of Imaging II	3
DMI 364 Radiography Clinical Ed II	3
Total	14

Summer Semester	Credits
DMI 309 Imaging Procedures III	3
DMI 372 Radiography Clinical Ed III	4
Total	7

CLINICAL TRAINING: SECOND YEAR

Fall Semester	Credits
DMI 401 Seminar in Radiography II	3
DMI 470 Radiographic Physics I	2
DMI 473 Imaging Procedures IV	2
DMI 474 Radiography Clinical Ed IV	3
DMI 477 Cross Sectional Anatomy	3
Total	13

Spring Semester	Credits
DMI 360 Radiation Biology	2
DMI 475 Seminar in Radiography III	2
DMI 478 Radiographic Pathology	3
DMI 479 Radiography Clinical Ed V	3
DMI 480 Seminar in Radiography IV	2
Total	12

Summer Semester	Credits
DMI 485 Professional Dev. Radiography	2
DMI 486 Radiography Clinical Ed VI	4
Total	6

Notes

Potential employers will perform comprehensive background checks and drug screens on any job seekers.

The Program will perform background checks and drug screens on all students admitted to the professional major.

Email Bill if/when questions arise: muellew@uwm.edu.

This planner is provided as a guide for selecting courses in upcoming semesters. Listed courses are based on your degree requirements and individual needs to meet prerequisites and GERS. It is possible these courses differ from those listed as official degree requirements documented in the UWM Undergraduate Catalog and the College of Health Sciences Program Descriptions. This form does not serve as verification of graduation requirements. Should a discrepancy occur between the published requirements and planner, please contact your advisor for clarification. Students are responsible for understanding their degree requirements and verifying the accuracy of this information.
