

This curriculum applies to students admitted Fall 2021 or after.

MASTER OF BUSINESS ADMINISTRATION **CURRICULUM**

BUILD YOUR **CORE STRENGTH**

MBA FOUNDATION COURSES (0-5 CREDITS)

- Bus Adm 701: Business Mathematics (2 cr.)
- Bus Adm 703: Financial Accounting (3 cr.)

MBA foundation coursework consists of two courses, but are not required for entry into the MBA program. Courses can be waived with prior coursework with a grade of C- or better. If the courses are not waived with prior coursework, you may discuss opportunities to satisfy the course requirements with an advisor.

Students are assumed to have basic proficiency in word processing, spreadsheet, and database software for computers; credits taken to acquire these skills do not apply toward the degree.

MBA CORE COURSES (18-24 CREDITS)

- Bus Mgmt 704: Accounting Analysis and Control (3 cr.)
- Bus Mgmt 705: Corporate Finance (3 cr.)
- Bus Mgmt 706: Managing in a Dynamic Environment (3 cr.)
- Bus Mgmt 707: Information Technology Management in International Business (3 cr.)
- Bus Mgmt 708: Marketing Strategy: Concepts and Practice (3 cr.)
- Bus Mgmt 709: Predictive Analytics for Managers (3 cr.)
- Bus Mgmt 711: Global Supply Chain Strategies and Competitive Operations (3 cr.)
- Bus Mgmt 712: Strategic Management (3 cr.)

Students with a business degree and a major in accounting, finance, management, marketing, information technology management, or supply chain and operations management may waive the 3-credit core course that corresponds to their major. A maximum of 6 credits can be waived, but every waived MBA core course must be replaced by an MBA elective.

MBA ELECTIVES (9-15 CREDITS)

Elective options help you enhance your professional areas of interest.

Certificates are also available in Business Analytics, Entrepreneurship, Finance, Health Care Management, Marketing, or Supply Chain Management.
