

# ONLINE GRADUATE CERTIFICATE IN **SUPPLY CHAIN MANAGEMENT**

Recent history has amplified the importance of smoothly functioning supply chains to businesses and to the economy as a whole. Professionals with deep understanding of the managerial and technological complexities of supply chain operations are in high demand. The Graduate Certificate in Supply Chain Management provides you with access to world-class faculty with real-world experience in current supply chain issues and challenges. From project management techniques, to reviewing quality and Six Sigma tools, and digging into logistics management, you will find opportunities to develop your knowledge and skill set, and step up in your career.

*This program can be completed as a standalone certificate or in combination with a master's degree program.*

## **Curriculum**

Students who wish to earn a Graduate Certificate in Supply Chain Management must complete the required 15 graduate credit hours with an overall GPA of 3.00 or better. The curriculum consists of five required courses:

### **Required Core Courses (15 Credits)**

- BUS ADM 781** Enabling Supply Chains Using SAP
- BUS ADM 782** Supply Chain Technology and Simulation
- BUS ADM 783** Supply Chain Management
- BUS ADM 785** Project Management and Innovative Operations
- BUS ADM 786** Business Logistics Management

Students may enter the program in the summer, fall, or spring semester. A maximum of one three-credit course from another college or university may be considered for transfer to the Certificate program. There is a time limit of three years from initial enrollment for completion of the Certificate program.

## **Admission**

Those who wish to enroll in the Certificate program must, at a minimum, have completed a bachelor's degree with an overall GPA of 2.75 or better. Students may apply to the Graduate School for the certificate program alone, or they may pursue the certificate in combination with the MBA program or MS in Management program at the Lubar College of Business.

Admission to the Certificate program requires transcripts before the application can be processed. Transcripts must be sent directly to the Graduate School, University of Wisconsin-Milwaukee, P.O. Box 340, Milwaukee, WI 53201, from the institution. The Graduate School needs only the transcript of the highest degree earned. The application is online at **graduateschool-apply.uwm.edu**.
