

Digital Mental Health Training Events for Faculty and Staff

The University of Wisconsin's faculty and staff play an important role in supporting student's overall wellness. We're thrilled to partner with [Mantra Health](#) to provide faculty and staff free webinar sessions on important on the services available to students and how to promote suicide prevention.

We aim to equip you with the tools and information needed to advise students about the free mental health resources available. We appreciate all you do and hope you can take time out of your busy schedule to join us.

Here's a look at the sessions:

Program Awareness for Faculty & Staff

This webinar provides an overview of the University of Wisconsin System supplemental mental health program. This webinar is geared towards faculty and staff on-campus who would like to learn more! Representatives from Mantra Health, [YOU at College](#), and Didi Hirsch Mental Health Services will be present to explain the program in-depth, and to answer any questions you may have.
