

**Do you know?**

**46% of surveyed graduates reported their annual income to be greater than \$45,000/year**

**“Keep at those great career fairs. In part they're the reason I got my job, and I now recruit at them for my current employer. Happy to pay it forward!”**

**“... I had an amazing college experience and I feel the quality of education at UWM is absolutely excellent. I loved my time at the University and miss it dearly.”**

**“I cannot stress the importance of internships. I truly believe that all degree seeking students should be required to participate in an internship before graduating. The internship provided me an advantage when I was seeking a job...”**
