

## **Career Services for Alumni Policy Statement**

Policy Effective Date: October 1, 2014

As of October 1, 2014, the Career Planning and Resource Center (CPaRC) will serve UW-Milwaukee alumni through use of Walk-in Hours (and appointments as deemed necessary by the counselor). If an alumni calls to request an appointment, refer them to Walk-in Career Advising and let them know that they will be able to meet with a counselor.

Note: There is a special link for alumni on Cattrack, so that they do not need to use an ePanther ID to complete their log-in process.

Alumni of UWM that are within one year from graduation may visit six times during the first year, five visits during the second, four during the third year, three during the fourth year, two during the fifth year, and one visit for anyone who graduated more than five years prior.

Alumni will continue to have access to other resources provided through the Career Planning & Resource Center's educational programs and events, CPaRC-sponsored career fairs, the CPaRC library, PantherJobs, and both the CPaRC website and that of the Alumni Association. Information may be accessed at:
