ON-CAMPUS STUDENT JOBS

Frequently Asked Questions

How do I apply for an on-campus job?
View and apply for jobs on Handshake. Log in with your ePanther ID and password at uwm.joinhandshake.com/login

When are jobs available?
Year-round! FYI, positions starting in the fall may be posted as early as June.

Will I need a resume and cover letter?
Many campus employers require a resume and cover letter. Use the Career Planning & Resource Center website and walk-in services to develop a strong resume/cover letter.

Will I have to interview for an on-campus job?
Typically, yes. The Career Planning & Resource Center can help you prepare for job interviews.

What is work-study?
Work-study is a type of financial aid. Departments with limited resources may only hire students with work-study which will be noted in the job posting.

BENEFITS OF WORKING ON CAMPUS

Flexibility
Campus employers are flexible with scheduling work hours around your classes, exams, etc.

Easy Commute
It’s a short commute to work when you are already on campus for classes.

Make Friends
Campus jobs are a great way to develop friendships and build your social network.

Resume Builder
Develop skills and experiences to add to your resume and use to gain internships and employment.

Enhanced College Experience
Studies show, students who work on-campus are more confident, engaged in their college experience, have better time management skills, and get higher grades!

Supportive environment
Campus jobs allow you to learn and build your skills in an environment that doesn’t mind a learning curve.
