

# University of Wisconsin – Milwaukee

## 2030 RUE Group

### Meeting Minutes

October 6, 2020

### Teams Meeting

The meeting was called to order at 10 a.m.

1. Agenda approved as distributed.
2. Introductions were done.
3. Review the Committee Charge and Group Topics: As the 2030 Implementation group on reforming the undergraduate experience (RUE), the work is in support of three main goals laid out in the 2030 final report:
  - Develop a unified UWM curriculum
  - Improve the student experience from recruitment to graduation and beyond
  - Leverage and Invest in Teaching Technology and Pedagogical Innovations

To do this, it was decided that the group will work primarily in subgroups which would meet as a whole group once a month and empower subgroups to meet regularly to work on their areas of focus. The group will form the six subgroups based, as much as possible, on member preference and expertise. Those subgroups will meet regularly and will report out on their progress at the monthly whole group meetings. The sub-groups would be as follows:

- Core Curriculum
  - Cohesive first-year experience
  - Re-vamp GER
  - Uniform degree requirement
- Experiential Learning
- Academic Advising and Student Engagement
  - Advising and Support
  - Strengthening Faculty engagement with students
- Beyond Academic Engagement
  - Uniform and coherent support structure
  - Messaging and systems integration
- Alternative Degree Delivery Methods
  - Pathways
  - Online and in-person degrees, hybrid models, Flex option
- Teaching Technologies and Pedagogical Innovations

4. The schedule for the subgroups were seen as follows:

- October: subgroups get together, discuss their general ideas on their topic, and identify any data or information needed to inform the work, identify possible overlap with other subgroups that need to be addressed.
- November: Whole group meeting to Identify definite goals to be achieved as they create the “new campus”, sketch out the steps to be taken (with a schedule) in the next 1-3 years. Subgroups continue their work.
- December: Subgroups finalize their campus action plans and share at a December whole group meeting.
- January: Whole group meeting in early January to finalize group’s work and send to implementation team leadership for inclusion in final report.

5. The meeting adjourned at 11:00 a.m.
