

Kindergarten & School Age Program Summer 2024

We're looking forward to a fun-filled summer with you at the Center!

The UWM Children's Learning Center provides exceptional summer programming in a nurturing and child-centered environment. Extended play times allow children plenty of time to create lasting relationships with new and familiar friends. Our weeks are filled with indoor and outdoor exploration, projects, field trips, special programming, swimming and more!

Some of the fun we're planning for you:

- Trips to water parks, museums, county parks and trails, Brewer's game, farm visits, wildlife sanctuary, nature centers, and more!
- Swimming at the Klotsche Center, trips around campus, walking field trips, and special classes – including a return of Taekwondo, School of Rock, and more!

Summer Sessions:

- Session A:** May 28—June 7 (current Owl Room kindergartners only)
Session B: Week 1: June 10-14 (current Owl Room kindergartners only)
Session B: Week 2: June 17-21 (first week of full Summer program)
Session C: June 24-July 5 (closed Thursday, July 4)
Session D: July 8-12 (one-week session) (closed July 15-19)
Session E: July 22-August 2
Session F: August 5-16

Children will be placed in classrooms by the grade they are completing in school. Classroom and teacher assignments for the summer may differ than those during the academic year.

Please note that summer programming ends on August 16. The Center will be closed August 19-23. Our fall semester begins on August 26, and care that week will only be available to children enrolled in the Center's fall kindergarten or after-school program.
