</tr>
</tbody>
</table>

*Ratio varies in some programs based on group size and age of children in group. Toddlers in older infant classrooms are mixed with infants and will always be at 1:3 ratio. Ratio in toddler classrooms with 8 children will vary from 1:2+ (8 children with 3 teachers) to 1:4 (8 children with 2 teachers) depending on activities and time of day. Preschool classrooms generally have 1:5 ratio in the fall and 1:6 ratio in spring and summer due to group size. Ratios in kindergarten and school-age classrooms also vary based on group size.

**Group size varies in some programs based on enrollment or age of children. Toddler classrooms with children all over 2 years of age will occasionally increase group size to 9. Preschool classrooms generally have group size of 15 in the fall and 18 in spring and summer. Kindergarten and school-age group sizes vary largely based on enrollment and licensed capacities.

The UWM Children's Learning Center is the proud recipient of student segregated fees through the UWM Student Association.
