Summertime is all about making memories for school-age children!

At the UWM Children’s Learning Center, children enjoy a nice blend of structured and unstructured time. The teachers plan a variety of engaging and fun learning experiences (because after all, children do not stop learning when school is out). They can relax while learning arts and crafts, challenge themselves with hands-on science and math activities and exercise their bodies in our indoor gym and on the playground. Children also have plenty of time to play, which helps them create lasting relationships with new and old friends.

Where we go!
Children in all school-age classrooms go on a variety of field trips every Thursday during the course of the summer. See the next page for our field trip schedule. **No additional cost.**

In the water!
Children will have many opportunities to cool off in the water this summer. Four- and five-year-olds will go swimming on Monday afternoons at the Klotsche Center Pool on campus from June 17—Aug. 12. Children six and older will go swimming at Klotsche on Monday, Wednesday and Friday afternoons from June 14—Aug. 16. The staff in the program swim with the children, and certified lifeguards are always on duty in addition to our staff. **No additional cost.**

Kids in the Chem Lab!
In partnership with the UWM Chemistry Education Department, we are scheduling regular visits for Owl and Lynx children to visit a chemistry lab on a regular basis for hands-on experiments. The children will put on their goggles and, using safe household materials, learn that chemistry truly is all around us. Through this experience in the lab, children will be encouraged to be curious, ask questions and use the scientific method, and form a hypothesis and test it. Lab visits are scheduled for Friday mornings.

Activities requiring additional fees:

**Martial Arts**
Karate classes meet on Tuesday mornings (June 11—August 13) in the Panther Gym at the Center. Registration forms for Karate classes will be included in the summer packet. **The fee for the 10-week Karate class is $50.**

**Stay Up Late**
What’s it like after hours in the Children’s Learning Center? Children who have completed K-5 or older can sign up for the Stay Up Late event taking place 6-11 p.m. on Friday, July 19. Children will enjoy a pizza party for dinner, then go outside to play backyard games on the play yard. When it gets dark, we’ll come in for the ever-popular game of **flashlight hide-and-seek.** A snack will be served before children get picked up at 11 p.m. **This is a special time you will need to enroll your child for on the Summer application. Space is limited.**

**Drama Club**
We will be performing a children’s play on Thursday, August 8, at 7:00 p.m. in the UWM Fine Arts Music Recital Hall! Registration forms for Drama Club will be included in the summer packet. **Children need to be enrolled on Monday and Wednesday mornings during Sessions C-F to attend Drama Club practices. The fee for Drama Club is $25 — this fee includes the cast pizza party on the day of the performance.**
Classroom assignments for the summer may be different than classroom assignments during the academic year, and are based on child’s age & development and on enrollment patterns.
