PROGRAM	RATIO*	GROUP SIZE**	RATE DETERMINED BY:
Infant	1:2	8	Age: 6 weeks through full month that child turns 1 year old
Toddler	1:3/1:4	8-9	Age & Classroom: First full month after child turns 1 year old until child is transferred to a preschool classroom
Preschool	1:6/1:7	12-18	Age & Classroom: 3 years old and placement in preschool classroom (Aspen, Maple, Oak, Willow) until child is transferred to a kindergarten classroom
Kindergarten	1:8/1:9	16-24	Grade: Children enrolled in UWM K4/K5 classroom or in K3-K5 program other than UWM through the summer prior to their enrollment in 1st grade
School-Age	1:10/1:12	10-33	Grade: Children attending 1st grade or higher at public or private school through the academic year during which the child turns 13 years old

*Ratio varies in some programs based on group size and age of children in group. Toddlers in older infant classrooms are mixed with infants and will always be at 1:3 ratio. Ratio in toddler classrooms with 8 children will vary from 1:2+ (8 children with 3 teachers) to 1:4 (8 children with 2 teachers) depending on activities and time of day. Preschool classrooms generally have 1:6 ratio in the fall and 1:7 ratio in spring and summer due to group size. Ratios in kindergarten and school-age classrooms also vary based on group size.

**Group size varies in some programs based on enrollment or age of children. Toddler classrooms with children all over 2 years of age will occasionally increase group size to 9. Preschool classrooms generally have group size of 12 in the fall and 14-18 in spring and summer, depending on if there is 1 or 2 Lead Teachers. Kindergarten and school-age group sizes vary largely based on enrollment and licensed capacities.

The UWM Children's Learning Center is the proud recipient of student segregated fees through the UWM Student Association.
