

# Kindergarten & School Age Program Summer 2025

We're looking forward to a fun-filled summer with you at the Center!

The UWM Children's Learning Center provides exceptional summer programming in a nurturing and child-centered environment. Extended play times allow children plenty of time to create lasting relationships with new and familiar friends. Our weeks are filled with indoor and outdoor exploration, projects, field trips, special programming, swimming and more!

Some of the fun we're planning for you:

- Field Trips to water parks, museums, county parks and trails, farm visits, wildlife sanctuary, nature centers, and more! Field trips take place each Thursday.
- Swimming at the Klotsche Center Monday afternoons [K4], Monday/Wednesday/Friday afternoons [K5 and up].
- Trips around campus, walking field trips, and special Tuesday programming, including a return of School of Rock and more!
