It was difficult to decide to live far away from my family, friends and community, and learn a new language. But when I thought about the progress I wanted to be a part of and the contributions I wanted to make to the world, I knew it would be worth it.

NASIM
Architecture PhD student
Tehran, Iran

Welcome to your University

The University of Wisconsin-Milwaukee is committed to global engagement through its curriculum, research activities, and student and faculty mobility, and through partnerships with universities and corporations around the world.

Established in 1956, UWM is a large, public research university located in the city of Milwaukee in the U.S. state of Wisconsin. UWM offers nearly two hundred programs of study at the bachelor’s, master’s and doctoral level in a wide variety of disciplinary, interdisciplinary and professional fields.

Award-winning research is a key feature of UWM, making admissions competitive. UWM is recognized as an R1 top research university in the U.S. by the Carnegie Classification of Institutions of Higher Education.

One of 2019’s Best Midwestern Colleges
PRINCETON REVIEW

UWM and Milwaukee

Milwaukee is the largest city in Wisconsin with a regional population of 1.5 million people and the center of business, industry and culture in the state. The city is known for its year-round festivals, beautiful lakefront, friendly community and historic architecture.

UWM is located in a quiet, safe and attractive residential area and is within walking distance of Lake Michigan. Milwaukee’s downtown is a short car or bus ride away. All UWM students have access to the B.O.S.S. safe ride pick-up service, which provides students with secure transportation every day, and U-PASS, a transit program through the Milwaukee County bus system.

From outdoor concerts and film festivals to food trucks and 24-hour bike races, there’s always something to see and do in Milwaukee. The city’s biggest can’t-miss event is Summerfest, one of the largest music festivals in the world. Here are a few other factors that make Milwaukee stand out:

60+ festivals and events every year
1,400 acres of beaches and lakefront parks
120+ miles of Milwaukee County bike trails

“...”

“...I knew it would be worth it.”

NASIM
Architecture PhD student

"UWM has a strong research group studying gravitational wave astrophysics. I’m really thankful I got to be part of the birth of this new field as early as graduate school."

DEBNANDINI

PHD in Physics, Class of 2018

Asansol, India

"UWM was a perfect fit for me. There are so many different degree programs here, including a great business program. As a member of the UWM soccer team, I got to see different regions of the U.S., too. Overall, it's been a life-changing experience."

JASON

BBA in Marketing, Class of 2018

Copenhagen, Denmark
The English Language Academy features three programs:

**THE INTENSIVE ENGLISH PROGRAM (IEP)**
The IEP is based on the Common European Framework of Reference and the Canadian Language Benchmarks. IEP students can be conditional undergraduate or graduate admits (contingent on graduate program approval). Conditionally admitted undergraduate and graduate students can move to full-time credit-bearing courses without submitting new TOEFL or IELTS scores.

**UNDERGRADUATE ENGLISH FOR ACADEMIC PURPOSES (EAP)**
Undergraduate EAP courses are divided into two distinct sequences:

- Sequenced reading and writing courses that lead students to fulfillment of the campus General Education Requirement for writing (English 102).
- Courses that help students admitted with English required improve their grammar, speaking and listening skills in their first year.

**GRADUATE ENGLISH FOR ACADEMIC PURPOSES (EAP)**
Graduate students who are admitted with English required (TOEFL 68-78, IELTS 6.0) are required to take one course focusing on the skills where their TOEFL or IELTS sub-scores are the lowest – either Speaking and Listening or Reading and Writing. Any graduate student wishing to improve English language skills is welcome to take the EAP graduate level courses.

**ACOOUNTING, AUDITING & ACTUARIAL SCIENCE**
MAJORS: Accounting, Actuarial Science, Economics

**ARCHITECTURE**
MAJOR: Architecture
INTERNSHIP SITE(S): Eppegstein Luber, Gender, HSA, JoMA, Johnson Schmalin, Kohler Slater, Perkins+Will, Rinka Chung, Workplace Architects

**CREATIVE INDUSTRIES**
MAJOR: Arts, Digital Area & Culture, English, Graphic Design, Marketing
INTERNSHIP SITE(S): Boettler + Lincoln, Cannes Film Festival, Disney, EPIC Creative, FleshsmanHillard, Hal Leonard, Hoffman York, Milwaukee Repertory Theatre

**CRIME ANALYSIS**
MAJOR: Criminal Justice, Geography, Math
INTERNSHIP SITE(S): Milwaukee Police Department, West Allis Police Department, High Intensity Drug Trafficking Area, Intelligence Fusion Center

**ENGINEERING**
MAJOR: Biomedical, Civil, Computer, Electrical, Industrial, Materials Science, Mechanical
INTERNSHIP SITE(S): American Transmission Company, Foxconn, GE Healthcare, Johnson Controls, Magnetek, Tesla

**ENVIRONMENT, SCIENCE & SUSTAINABILITY**
MAJORS: Biological Sciences, Chemistry, Conservation & Environmental Science
INTERNSHIP SITE(S): A-Chem LLC, Alcan Corp., Aldrich Chemical, Discovery World, Hydrotek Chemical, Milwaukee County Zoo, Pabst, Wisconsin Department of Natural Resources

**HEALTH CARE & NURSING**
MAJOR: Health Sciences, Pre-Med, Nursing
INTERNSHIP SITE(S): Aurora Health Care, Children’s Hospital of Wisconsin, Froedtert & the Medical College of Wisconsin, the Milwaukee Brewers, Rogers Memorial Hospital

**INTERNATIONAL AFFAIRS & BUSINESS**
MAJOR: Chinese, Economics, French, Global Studies, International Studies, Political Science, Spanish, Supply Chain & Operations Management
INTERNSHIP SITE(S): Alliance Française de Milwaukee, Danish Foundation, Emirates Airline, Milwaukee French Immersion School, PricewaterhouseCoopers – Warsaw, Samba Cheze, Saha Global, The Westin – Dublin

**COMPUTER SCIENCE, IT APPLICATIONS & NETWORK SECURITY**
MAJOR: Computer Science, IT Management, Information Science & Technology, Web Development
INTERNSHIP SITE(S): Amazon, Baird, Direct Supply, Fox, Komatsu, Microsoft, National Security Agency, Quad/Graphics

**LOGISTICS**
MAJOR: Supply Chain & Operations Management
INTERNSHIP SITE(S): Direct Supply, Harley-Davidson, Master Lock, Rockwell Automation

**MARKETING & PUBLIC RELATIONS**
MAJOR: Communication, Journalism, Advertising & Media Studies, Marketing
INTERNSHIP SITE(S): Briggs & Stratton, La Macchina Enterprises, Laughlin Constable, Marcus Hotels & Resorts, Milwaukee Bucks, Moon Landing, Mungo Creative, Pabst Theater, Racine County Zoo, RB Publishing, WSIV-TV

**SOCIAL WORK & HUMAN SERVICES**
MAJOR: Psychology, Social Work, Sociology
INTERNSHIP SITE(S): Aurora Psychiatric Hospital, Children’s Hospital of Wisconsin Community Services, Easter Seals, Kelli’s Early Childhood Development Center, Milwaukee Public Schools, Milwaukee VA Medical Center, United Community Center, Waukesha County Department of Human Services

**TEACHER EDUCATION**
MAJOR: Art Education, Community Engagement & Education, Exceptional Education
INTERNSHIP SITE(S): Boys & Girls Clubs, Milwaukee Art Museum, Milwaukee Historical Society, Milwaukee Public Schools, Urban Ecology Center, Walker’s Point Center for the Arts

HIGHLY RANKED, AFFORDABLY PRICED

UWM is a one-of-a-kind university, where affordable tuition meets academic excellence. Here’s how we keep things budget-friendly:

**SCHOLARSHIPS**

More than 3,900 UWM undergraduates received over $10 million in scholarships in the 2017-18 academic year. All incoming students, including international students, are encouraged to apply for scholarship opportunities. [uwm.edu/scholarships](http://uwm.edu/scholarships)

**ASSISTANTSHIPS**

Graduate students have the opportunity for tuition remission via assistantships. There are four kinds of graduate student assistantships: teaching assistants, project assistants, program assistants and research assistants. [uwm.edu/graduateschool](http://uwm.edu/graduateschool)

---

**STUDENT EMPLOYMENT**

International students can work up to 20 hours a week on campus while school is in session. But there are other employment opportunities for international students, too, including:

**CURRICULAR PRACTICAL TRAINING (CPT)**

CPT provides off-campus work authorization after one year of study for students with an F-1 visa. A faculty member recommendation is required and a UWM immigration coordinator must authorize the employment. Employment must be a required part of the program and grant academic credit. Depending on the academic program, CPT options are limited.

**OPTIONAL PRACTICAL TRAINING (OPT)**

OPT is authorization for employment in your field of study either before or after degree completion. Most F-1 students do 12 months of post-completion OPT after graduation. More than 80 percent of international students who apply for OPT have job placements within the first three months of graduation. Students apply directly to the U.S. Citizenship and Immigration Services (USCIS) for OPT.

**OPTIONAL PRACTICAL TRAINING STEM**

Some students are eligible to apply for an 18-month extension during their initial 12 months of OPT, particularly students who have earned degrees in certain STEM fields and who are employed by companies registered with the USCIS. Students apply directly to the U.S. Citizenship and Immigration Services for the OPT STEM extension.

---

**UNIVERSITY HOUSING**

Maximize convenience and enjoy your independence with a suite-style accommodation in one of UWM’s five on-campus residential communities.

Each residence hall has its own personality, but here’s what most of them have in common:

- Study lounges with Wi-Fi, fitness facilities, delicious dining and activities to get you feeling like part of the UWM community.
- Meal plans range from $1,728 to $2,461 per semester and total estimated room and meals are $10,635 per academic year. All University Housing residents who live in suites without kitchens are required to choose a meal plan. There are also several grocery stores near campus.
- Residence-hall rooms cost between $4,850 and $8,030. The average cost is $6,446 per academic year.

Sandburg Hall and Kenilworth Square are two popular housing options for international students. For a complete list of UWM’s housing options, visit [uwm.edu/housing](http://uwm.edu/housing).

---

**SANDBURG HALL**

Classic, suite-style residence hall located in the heart of campus. Building amenities include fitness room, cafeteria, coffee shop, study lounge and movie theater.

**KENILWORTH SQUARE**

Chic private residences for upper-level students and students 21 years old and older, located in Milwaukee’s vibrant East Side.
