

## Nurseline by Wellfleet

Your 24/7 healthcare solution

**Are you in need of immediate medical advice?**

**Are you unsure if your condition is serious?**

**Do you need assistance, and your Student Health Center or Doctor's office is closed or unavailable?**

Speak to a registered nurse 24/7, 365 days a year, to get immediate assistance and advice.

◆ How to use **Nurseline**: Call (800) 634-7629. Anytime, day or night.

### What to expect:

You'll speak directly to a registered nurse without waiting for a call-back.

**\$0 fees** – There is no additional cost for your access to this service.

### Emergency situations:

If you believe it's a serious emergency, call **911** immediately or go to the nearest emergency room.

### Call Nurseline for:

- Expert advice on treating a fever, illness, injury, or other symptoms.
- Guidance on where to seek assistance for your symptoms.
- Help in managing a new diagnosis.
- Questions about upcoming medical tests or appointments.
- Assistance with over-the-counter medications or prescriptions.

**Take control of your health with Nurseline – healthcare support when you need it most.**
