What is CDS?

CDS (Community Design Solutions) is a funded design and planning service to communities, agencies, and non-governmental organizations that promote positive change. We work with communities to develop concepts and planning services to provide preliminary design and planning solutions throughout Wisconsin.

Quick Overview of Recent CDS Projects

Check out our CDS projects here.

Contact:

Jeff Lazuka, CDS Director

cedsoffice@uwm.edu

We provide comprehensive design services and planning support. Whether it be urban design, master planning, or community engagement, we're here to help.

Current Projects:

- Five Points Charette
- EMS Innovation Lab
- NWSCDC Eco Tech Campus
- Eau Claire Greenprint Plan
- EPIC Health & Wellness Center
- MPS Outdoor Classrooms
- Bastille Days Layout
- North Ave Gateway BID
- North Ave MarketPlace BID
- Milwaukee City Hall Expansion

Past Projects:

- MPS Reagan IB High School
- Foundry Park
- Carter Park
- Hadi/Sheikh/Abu-Waas
- CDS Annual Gala 2018

What are we up to?

The CDS team is working on several exciting projects right now. We're currently involved in planning and design phases for several initiatives, including the MPS Outdoor Classrooms project, which aims to integrate outdoor learning into the urban landscape. Additionally, we're working on the Bastille Days Layout project, which focuses on designing a cohesive and engaging festival layout.

We're also engaged in the Five Points Charette, a collaborative planning effort for the Five Points neighborhood, and the EMS Innovation Lab project, which seeks to create an innovative and inclusive space for engineering students.

Services:

- Urban design and planning services
- Community outreach and engagement
- Master planning and development

Contact us today to learn more about our services and how we can collaborate on your next project.
