Assistant Site Manager

FRIEDENS FOOD PANTRIES

Last Updated: 06/24/2021

Mission and Purpose

Friedens is a network of food pantries in Milwaukee nourishing the body, mind, and soul. We believe that a dependable supply of food is a means of bringing hope and dignity to our community.

As the largest food pantry network in Milwaukee, Friedens Food Pantries is a stabilizing force in our neighborhoods. Since 1978, we have used a community-centered approach, accepting the responsibility of honoring individual choice by providing a variety of fresh and nutritious food options and connecting our community members to other support services. Friedens addresses the emergency food needs in Milwaukee neighborhoods with a high population of low-income households that commonly suffer from food insecurity. We partner closely with StreetLife Communities, which is an organization dedicated to providing outreach and support to individuals experiencing homelessness.

The Assistant Site Manager works closely with the Pantry Site Manager in the day-to-day operations of the food pantry, including, but not limited to data management, supervision and coordination of food pantry volunteers, restocking of food pantry items, serving our clients, and helping the pantry run smoothly. The ideal candidate is adept at building and maintaining trust-based relationships, engaging stakeholders and applying an equity lens towards transforming lives and communities. As such, we strongly encourage applications from candidates who foster and promote the values of diversity and inclusion.
