FRIEDENS FOOD PANTRIES

Last Updated: 01/24/2022

### Mission and Purpose

*Friedens is a network of food pantries in Milwaukee nourishing the body, mind, and soul. We believe that a dependable supply of food is a means of bringing hope and dignity to our community.*

As the largest food pantry network in Milwaukee, Friedens Food Pantries is a stabilizing force in our neighborhoods. Since 1978, we have used a community-centered approach, accepting the responsibility of honoring individual choice by providing a variety of fresh and nutritious food options and connecting our community members to other support services. Friedens addresses the emergency food needs in Milwaukee neighborhoods with a high population of low-income households that commonly suffer from food insecurity. We partner closely with StreetLife Communities, which is an organization dedicated to providing outreach and support to individuals experiencing homelessness.
