

Service-Learning Site Form for Multiple Service-Learning Classes

This form is intended for students who are taking two service-learning courses at one time and want to use the same site for both service-learning courses. In order for the site to be used for multiple courses, it must meet the learning goals for each course, and be approved by each course instructor. If each course requires a different numbers of hours, the student would be required to complete whichever hour amount is higher. If each course requires the same amount of hours (for example, 15), the student would be asked to complete 15 hours. Please turn this completed form into the CCBLR, located in the Union Campus Level by Friday, September 30th.
