Dear Community Partner:

You are receiving this letter because you have agreed to host a UW-Milwaukee service-learner this semester. Service-learning helps students deepen their understanding of course content through experiences in the community and reflection in the classroom.

We will be calling you soon to verify this partnership. During this verification, we will ask that you submit some information about your agency into our online database of community partners.

If you have any further questions on the service-learning timeline or overall process, please don't hesitate to contact our office.

Thank you for supporting UWM service-learners, and we look forward to working with you this semester!
