UWM COMMUNICATION PLAN FOR STUDENT COVID-19 CASES

Student reports a positive COVID-19 test or diagnosis to the Dean of Students Office using the form at uwm.edu/covid19selfreport. The Dean of Students Office contacts the student to provide information about isolation, resources and an eventual return to campus. Students who can’t isolate off campus are moved to on-campus isolation housing.

Dean of Students Office contacts close contacts identified by the student with information and resources.

Dean of Students Office notifies Human Resources of any faculty/staff close contacts.

Human Resources contacts faculty/staff with information and resources.

Dean of Students Office notifies University Housing to support students in need, provide information, work with student(s) on quarantine and isolation and to clean spaces as appropriate.

Dean of Students Office requests cleaning from appropriate units (Environmental Services, UWM Student Union and/or University Housing).

Student contacts instructors to get academic flexibility. The Dean of Students Office assists with this as needed.

DEFINITIONS:

**Close contact** within 6 feet of an infected person for a cumulative total of 15 minutes or more over a 24-hour period starting from 2 days before illness onset until the time the patient is isolated.

**Isolate:** Stay home in a separate room from other household members and use a separate bathroom, if possible. Do not share personal household items, like cups, towels and utensils and avoid contact with other members of the household and pets. Learn more at cdc.gov/coronavirus.

**Quarantine:** Stay home for 14 days from the last contact, watch for COVID-19 symptoms and follow CDC guidance.
