**Overnight Camp Application**

**EnQuest**

**Overnight Camp – July 26-31, 2020**

**College of Engineering & Applied Science**

UW-Milwaukee EnQuest is a one-week all girls engineering summer camp for high school girls; a live-in college experience with an impactful technology project. The 2020 Overnight camp project will support the work of UWM’s BioRobotics lab.

Overnight supervision will be provided by female UW-Milwaukee engineering students who are excited to share the EnQuest experience.

Please complete this two-page form to apply to attend EnQuest Camp.

A fee of $725 covers a portion of the camp costs, with additional costs sponsored by the UW-Milwaukee College of Engineering & Applied Science. A limited number of Camp Fee Scholarships are available by request to provide the EnQuest experience to girls for whom the program’s fee is a barrier to attendance.

A non-refundable registration deposit of $100 is required, with exceptions for camp fee scholarship recipients. This fee secures your spot in the camp and is due with your application. The remaining fee is due along with required medical/permission forms at least two weeks prior to the camp start date.

To pay online by credit card, e-mail chrisbe@uwm.edu to request an invoice and instructions. Checks (payable to UWM) may be mailed with your registration form to:

Chris Beimborn, EnQuest Coordinator
College of Engineering and Applied Science
University of Wisconsin-Milwaukee
PO Box 784
Milwaukee, WI 53201-0784

**Deadline:** Please register by June 1, 2020 (a June 1 postmark is acceptable). You will receive an email confirmation upon receipt of your form.

Should your plans change, and you become unable to attend EnQuest, please notify UWM as early as possible - contact Chris Beimborn - chrisbe@uwm.edu, 414-788-0807

EnQuest is made possible in part thanks to generous support from Dedicated Computing, Creation Technologies, Eaton and anonymous donors.
