GIRLS’ ENGINEERING CAMP

DAY CAMP
August 2-6 • 9:30 a.m. – 3:30 p.m.

- Tackle a hands-on engineering project with global impact
- Meet women engineers who are changing the world
- Make new friends and experience the fun of campus life
- Discover why engineering is a great career for women

EnQuest is doing things differently in 2021
- Small face-to-face group with physical distancing
- Masks required
- Covid screening requirements for campers and staff
- Plans will pivot as public health conditions dictate

Be here and learn WHY engineering could be for you!

EXPLORE ENGINEERING - LEARN. CONNECT. CREATE.
