

Credit Evaluation Form Transfer of Masters Credits into PhD Program

Instructions: Obtain a copy of your graduate transcripts and complete this form in consultation with Coordinator or your advisor. The purpose of this form is to compare the student's masters study list with the PhD study requirements posted in the Department of English Graduate Student Handbook. Depending on the content of the masters study list, the Coordinator may require the student to include courses. A maximum of 27 credits taken at the masters level may be applied toward the PhD program requirements.
