

# TRANSFER GUIDE

## UWM at Waukesha/Washington Co. to B.S. – Word Languages Spanish Education - School of Education

### **Admission Guidelines**

Transfer admission is a holistic and selective process, and no single criterion guarantees admission. The following factors are taken into consideration when reviewing applications:

- Demonstrated satisfactory academic progress
- Successful completion of college-level math and English courses
- Total credit hours completed
- Academic standing at your previous institution

If you have fewer than 12 transferable credits, we will also review your high school academic records.

Please keep in mind that some academic programs within the Peck School of the Arts, School of Architecture and Urban Planning, College of Engineering & Applied Science, and College of Nursing may have additional requirements for direct admission into their majors.

We encourage students to utilize this guide to plan their coursework for their first and second semesters at UWM at Waukesha or Washington County. We highly recommend that students who are interested in transferring contact a UWM Transfer Advisor for more information about additional requirements of specific academic programs.

### **School of Education Information**

The World Languages program is available for students who plan to teach a world language to children from birth to age 21, all grades in Wisconsin public schools. Students who satisfactorily complete the undergraduate program will be granted a license in one of the following languages:

- American Sign Language
- Chinese
- French
- German
- Hebrew
- Italian
- Latin
- Russian
- Spanish

**This program requirements sheet shows Spanish content courses. General Education requirements are the same regardless of the language of licensure. Work with an advisor to determine if language content courses in your chosen concentration area are available at UWM @ Waukesha or Washington Co.**

World Language students gain real world experience through a required immersion experience and in the classroom by student teaching at area schools. Students at this level of certification may also add the Bilingual Education or English as a Second Language licenses while pursuing or after obtaining their World Language licensure.

In addition to course requirements, all teacher preparation programs have GPA and testing requirements. For more information on these requirements, visit [uwm.edu/education/academics/undergraduate](https://uwm.edu/education/academics/undergraduate).
