

**CRRSAA Emergency Grants to Students
Third Quarter Report (July 1, 2021 through September 30, 2021)**

After numerous attempts via email, text and phone, twenty awards were cancelled on September 7, 2021, as students had not cashed their checks that were issued in mid-March 2021. The following awards were cancelled.

<u>Award Amount</u>	<u># of Students</u>	<u>Total</u>
\$1,115	16	\$17,840
\$315	4	\$1,260
	20	\$19,100

Because of the awards being cancelled, additional awards were made to twenty students. Awards of \$1,115 were made to eighteen students who were Federal Pell Grant recipients in the spring 2021 term. They were awarded a Federal Pell Grant after the initial determination of CRRSAA awards in mid-March 2021. Additionally, two students who had previously been awarded \$715, were awarded an additional \$400. Because of special circumstance documentation submitted, these two students became eligible for a Federal Pell Grant in the spring 2021 term, after the initial determination of the CRRSAA awards. Below is an updated table of awards at the conclusion of the third quarter, September 30, 2021.

As of the end of the third quarter, the account is over awarded by \$1,770. However, there are still seven uncashed checks totaling \$6,605. In the near future these awards will be cancelled and any remaining funds will be re-awarded to students awarded Federal Pell Grant in the spring 2021 term after the initial determination of the CRRSAA awards were made.
