

Pre-Major Transfer Table

MATC—General Education Pathway AA Community Engagement: Pre-Major to UWM—College of Letters & Science BA Sociology

MATC & UWM have signed a memorandum of understanding (MOU) that creates more seamless transfer opportunities between liberal arts programs. The pathway below details how a specific liberal arts pre-major at MATC will apply to a related bachelor's degree at UWM. Although the Art: Pre-Major is intended to provide a strong academic foundation for continued study in a parallel discipline, transfer students are not required to major in Art History at UWM. Identified course equivalencies may be applied to other UWM majors or degrees. Students interested in transferring are encouraged to contact academic advisors in L&S with specific questions: let-sci@uwm.edu.
