Campus Updates

Walk-in vaccination clinic added on Dec. 21

One more walk-in vaccination clinic has been added this semester – on Tuesday, Dec. 21, from 10 a.m. to 2 p.m. in the UWM Student Union. This is in addition to the clinic today, Dec. 14, which also runs from 10 a.m. to 2 p.m. in the union.

Pfizer, Moderna and J&J vaccine will be available, including separate Pfizer pediatric doses for children 5 to 11 years old. Before arriving at the clinic, parents and guardians should pre-register their child and complete the consent at this [Wisconsin Department of Health Services link](#).

First and second doses of vaccines are available, as well as booster doses for [all individuals who are 16 and older](#). Please bring your vaccine card or proof of vaccine via the [Wisconsin Immunization Registry](#) if you have received previous vaccinations. For booster doses, it must be at least six months since receiving the primary vaccines series.

More information [is available online](#).

Additional federal emergency aid available in spring semester

Additional federal aid for students from the Higher Education Emergency Relief Fund (HEERF) will be available during the Spring 2022 term.

UWM has already disbursed close to \$30 million in HEERF money since the start of the pandemic in March 2020. Based upon current legislation, the funds to be released during the spring 2022 term are likely to be the last.

Students who received a HEERF grant in Fall 2021 do not need to reapply if they are enrolled in the Spring 2022 term. Students will receive consideration based upon their prior application.

All other students who feel they are eligible must complete and submit an application, which will be available in early January 2022. [Read more →](#)

Update: Union parking garage will be open over break

The UWM Student Union parking garage will be open during the winter break. Concrete repairs that had been scheduled to take place over winter break will instead take place during the summer.

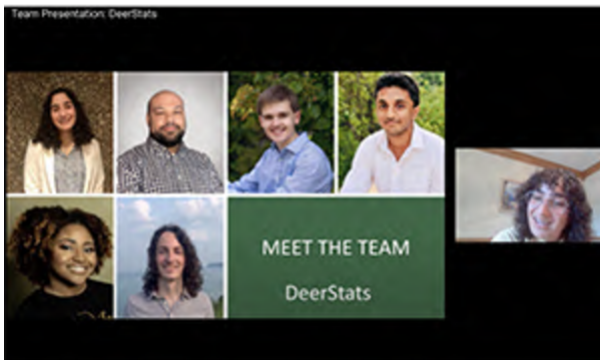

As a result, a WinterIM permit is available for parking at the Student Union garage at the cost of \$52.
