**Notes:**

<sup>1</sup>Rates reflect the percentage of fall new freshmen (full-time and part-time) with an intended or declared major who were considered retained for reporting purposes. Students are reported as retained if: (1) they re-enroll in their 2nd fall term at the same campus where they began (regardless of whether their major remained the same), or (2) they graduated with their first UWM bachelor's degree in their first year (Flex degrees are excluded). Students are counted with their initial field of study. N/A indicates no new freshmen enrollment. To help protect student privacy, beginning and retained headcounts are not reported.

<sup>2</sup>Rates reflect the percentage of fall new freshmen (full-time and part-time) with an intended or declared major who graduated with a bachelor's degree in six years or less. Students are counted with their initial field of study. Students graduating within six years are reported as graduated in the calculation of these rates, regardless of whether their major remained the same. Rates only reflect students' earliest bachelor's degree from the main campus (Flex degrees are excluded). N/A indicates no new freshmen enrollment. To help protect student privacy, beginning and graduated headcounts are not reported.
