

25 YEARS GERMAN UNITY

UWM CAMPUS WEEK

October 5-9, 2015

This year marks the 25th anniversary of Germany's reunification. On October 3, 1990, East Germany and West Germany reunited to form a single nation. This historic decision marked the end of the unification process, which began with the fall of the Berlin Wall on November 9, 1989. Over this week, we will look back not just at the joyful moments of Germany's reunification on, but also at 25 years of growing together. The week's events feature films, lectures, a soccer match, as well as contests and prizes.
