

Geog 489: Student evaluation of internship and site/placement

To be completed by the Geography student intern on completion of the internship

Skills/criteria	Comments
<p>Geographic skills:</p> <ul style="list-style-type: none"> ⊕ Were you able to use a range of geographic skills on the job? ⊕ Did you have the opportunity to encounter and solve geographic problems? ⊕ Were you able to learn about applied uses of geography? ⊕ Did you develop your geographic skills? <p>Please answer each and explain.</p>	
<p>New skills: Did the internship need you to have skills you had not yet learned in geography courses? If so, what, and how did you learn them?</p>	
<p>Work environment: What was the work environment like? Did you feel comfortable? Included? Were their expectations of you made clear?</p>	
<p>Networking: Were you able to meet geography professionals? Learn about their background in geography? Learn about other work opportunities in geography-related fields?</p>	
<p>Do you have any other comments about this internship placement?</p>	
<p>Overall, would you recommend this site/agency/ organization as a good place to do a Geography internship? Please explain and give reasons.</p>
