

GIS Certificate Committee Meeting 5/11/13

DRAFT

Attending: Bill Huxhold, Mark Schwartz, Rina Ghose, Ivy Hu, Bob Schneider, Patti Day

Professor Huxhold called the meeting to order at 1:10 pm

Approval of previous minutes: tabled.

Item 1. Approval of Tier 1 and Tier 2 courses to count as electives if courses from both departments are taken.

Discussion of positives/negatives and number of times this may occur (few but increasing).

It was decided to maintain a database of the number of students who take both courses at the tier 1 and/or tier 2 going forward (i.e. taking 1 as required and the other as an elective).

Mark moved to approve.

Bob seconded.

Unanimously approved.

Respectfully submitted,

Patti Day
