## DEPARTMENT OF GLOBAL STUDIES

Family Weekend, October 8th, 2022 Pangaea Mall • 1:00-3:00 PM

We're the new home of the majors and minors in Global Studies, International Studies, French, Italian, and Comparative Literature. Establish cross-cultural connections, develop your foreign language skills, and gain overseas experience with one (or more!) of our majors. We play well with others too--get information on how to internationalize most majors with one of our five minors!

Come try your hand at the iconic Italian lawn game <u>Bocce</u>

<u>Ball</u> and the French lawn game <u>Boules</u>, try some international cookies, and learn more about where the Department of Global Studies can take you.
