

Downloading Office on Your Computer

ProPlus allows currently enrolled UWM students to download the latest version of the Microsoft Office suite at **NO COST**.

- Log into Office 365 at **portal.office.com/Home** using your UWM email address & ePanther password.
- Click **INSTALL** to download the installer file.
- After downloading, run the installer file to install Microsoft Office on your computer.

You may download on up to 5 devices. Once you are no longer enrolled at UWM, your subscription will expire.
