ABOUT THIS BENEFITS SUMMARY

This summary is an overview of the benefits available to UW System employees. It is not intended to be a complete description of coverage. Every effort has been made to ensure the information in this summary is accurate. Your Needs. Your Benefits. Prepare. Decide. Act.

The UW System offers an excellent compensation package to meet the diverse needs of its employees. Your compensation package includes three main components: your wages, your health insurance and the employer contribution towards your retirement account. By understanding your options, you will get the most out of your benefit plans. Your spouse and child(ren) are eligible for the plans that offer coverage to dependents. To calculate the estimated value of your total compensation, use the [Total Compensation Estimator](#).

ALEX: YOUR PERSONALIZED BENEFITS COUNSELOR

Meet ALEX

Use [ALEX](#), your personalized benefits counselor, to help determine which benefit plans will meet your needs. ALEX explains your benefit plan options in plain English and may be accessed anywhere you have an internet connection!

Note: ALEX will review the health insurance **plan design options**. You should use the [Health Plan Search](#) to determine which **health insurance carrier** will best suit your needs.

BENEFITS EFFECTIVE DATES AND ENROLLMENT

Most benefits are **effective** the first of the month on or following your benefits eligibility date and will remain in place for the entire calendar year. Your human resources office may provide you with an enrollment deadline worksheet. The worksheet specifies your **30-day enrollment period** in which your elections must be made and your effective date for each plan.

Over the course of your employment, you may have a **qualifying life event** such as marriage, birth, adoption, loss of other coverage, employment change and/or termination of employment. These qualifying life events may change your benefit plan needs. You generally have a 30-day enrollment period from your qualifying life event date to make changes to your benefits.

Go to the **MyUW portal** at <https://my.wisconsin.edu> to make your benefit plan elections **through Self Service**. The MyUW portal also contains payroll, benefits, paid time off and personal information. If you have prior State service, you may need to enroll using paper forms. Contact your [human resources office](#) if this applies to you.

PAYROLL INFORMATION

Most employees, except most students, have FICA taxes withheld from their paychecks. **Social Security:** You and the UW each pay 6.2% on covered compensation up to \$137,700. **Medicare:** You pay 1.45% on covered compensation up to \$200,000 and 2.35% on covered compensation thereafter. The UW pays 1.45% on all covered compensation (no limit). **Payroll Frequency:** You are paid on the first of every month for the previous month. Review the [pay schedule](#) to determine the pay date when the first of the month is on a weekend or holiday.

PAID LEAVE

This benefit package does not include any paid leave benefits (e.g. vacation, sick, holidays).

STATE GROUP HEALTH INSURANCE

Student Assistants and Employees-in-Training **are eligible** if expected to work at least 33% for at least six months (12-month employees) or one semester (9-month employees).

Short-term Academic Staff (including Visiting Faculty) **are eligible** for State Group Health Insurance if expected to work at least:

- 21% for at least six months (12-month employees)
- 28% for at least one semester (9-month employees)

The State Group Health Insurance program is administered by the Department of Employee Trust Funds (ETF). You have **two plan designs** to choose from. The Health Plan offers various health insurance carriers that provide coverage mainly in Wisconsin (some offer coverage in surrounding states). The Access Health Plan provides nationwide coverage through WEA Trust. Both plan designs offer hospital, surgical, medical and prescription coverage. For a thorough comparison of your plan design options, review the [Comparison of Health and Pharmacy Benefits](#). Uniform Dental Benefits may be added to your health insurance premium for a minimal cost (see page 5).

You have a **30-day enrollment period** from your benefit eligibility date (usually your date of hire) to enroll. You may also enroll your spouse and eligible dependent children at this time. If you enroll in health insurance, your coverage is effective the first of the month on or following your eligibility date (if you enroll during your 30-day enrollment period).

When services are received, in most cases you pay a deductible first. Then, you will usually pay a copayment (flat dollar amount) or coinsurance (percentage). You continue to pay a copayment or coinsurance until you meet the annual out-of-pocket limit. Then, most services are covered at 100% by your health plan for the rest of the calendar year. The chart below reflects in-network coverage. Emergent and urgent care services are the only out-of-network services covered by the Health Plan.

	Health Plan / Access Plan
Annual Deductible ¹	\$250/individual \$500/family
Primary Care Office Visit	\$15 copay ⁴ per visit (does not apply to deductible)
Specialty Care Office Visit	\$25 copay per visit (does not apply to deductible)

Specialty Drug Copays ⁴ (30-day supply)	Level 4 - \$50 (must fill at a specialty pharmacy)
Prescription Annual Out-of-Pocket Limit ³	Level 1 & 2 - \$600/individual, \$1,200/family Level 3 - Federal Max Level 4 - \$1,200/individual, \$2,400/family

¹ Annual Deductible – Amount you pay before your health plan begins to pay. The deductible is counted towards your annual out-of-pocket limit. The plan begins to pay claims for a family member after they meet their individual deductible. ² Coinsurance – Percentage you pay of the cost of the covered service. ³ Out-of-Pocket Limit – The most you pay out-of-pocket for covered services in a calendar year. Then the plan pays 100%. ⁴ Copay – Fixed dollar amount you pay upfront for each service or prescription.

The dental plans allow you to use dentists in the Delta Dental Premier or PPO networks; see the chart below for the appropriate network for each plan. Visit the [Delta Dental website](#) to determine if your dentist is in the PPO and/or Premier network. Remember, your out-of-pocket cost will be less if you use an in-network dentist. FLEXIBLE SPENDING ACCOUNTS (FSA)

All Student Assistants and Short-term Academic Staff employees are eligible except Fellows, Scholars, Trainees, Graduate Interns/Trainees and Post-Doctoral Fellow/Trainees. FSAs offer you the opportunity to pay certain health care and dependent day care expenses with tax-free dollars. You decide how much to contribute from each paycheck before Federal, State and FICA taxes are calculated. You may only change your annual election amount if you have a qualifying life event (e.g. marriage, divorce, birth) and contact your human resources office within 30 days of your qualifying life event. The [Flexible Spending Account \(FSA\)](#) types are:

- 1) **Health Care FSA** - Used to help pay for eligible medical, dental, vision and/or prescription expenses that are not covered by your insurance. Expenses can be incurred by you, your spouse, child or other qualifying tax dependent. The annual contribution limit is \$2,700. You are not eligible for a Health Care FSA if you are enrolled in a High Deductible Health Plan (HDHP) through a spouse; however, you are eligible for the Limited Purpose FSA.
- 2) **Limited Purpose FSA** - Only available to employees enrolled in a High Deductible Health Plan (HDHP). Used to help pay for eligible dental, vision and/or **post-deductible** medical/prescription expenses that are not covered by insurance. Expenses can be incurred by you, your spouse, child or other qualifying tax dependent. Annual contribution limit: \$2,700.
- 3) **Dependent Day Care Account** - Used to help pay for eligible dependent day care expenses such as after-school care, babysitting fees, preschool and/or adult or child day care. Eligible dependents include your spouse, child or other qualifying tax dependent. The annual contribution limit is \$2,500-\$5,000 (varies by tax filing status).

The **plan year** for all accounts is January 1st – December 31st. Remaining money in your Health Care or Limited Purpose FSA on December 31st, will automatically **carry over** to the new plan year (up to \$500). Anything over \$500 will be lost. There is no carry over for the Dependent Day Care Account. You must re-enroll each year during the Annual Benefits Enrollment (ABE) period if you wish to participate the following plan year.
