

 **\$3000**

McNair Graduate Entrance Fellowship

The University of Wisconsin-Milwaukee Graduate School is proud to offer the McNair Graduate Entrance Fellowship, a one-time \$3,000 award available to all McNair Scholars that enroll in a full-time graduate degree program at the University of Wisconsin-Milwaukee (UWM).

The McNair Graduate Entrance Fellowship (MGEF) serves to recognize the exceptional scholarship, research background, and doctoral readiness of McNair Scholars, participants of the Ronald E. McNair Post-Baccalaureate Achievement Program.

The MGEF is open to McNair Scholars enrolled in their first semester of full-time graduate studies at UWM. Awardees must begin their graduate degree enrollment in the Fall 2026 or Spring 2027 term pending funding.

The MGEF is a one-time \$3,000 payment that may be accepted in addition to other fellowships and financial aid. Payment is non-transferrable and cannot be used as a reimbursement.

McNair Scholars must submit a McNair Participant Verification Letter and a completed McNair Graduate Application Fee Waiver with their UWM Graduate School application. Both documents must be signed by a McNair Project Official and are required to confirm McNair Program participation and identify MGEF eligibility.
