

# Diagnostic Medical Sonography Professional Training: ECHO/VASCULAR

## **Aurora St. Luke's Medical Center**

Students accepted into the University of Aurora St. Luke's Echocardiography program follow the two-year curriculum outlined below. Students enroll in these courses through the **UWM Enrollment Appointment registration system (PAWS)**. Students enroll through PAWS **each semester** and select the lecture (LEC) and clinical education (FLD) sections identified "**Aurora St. Luke's**". **Unless a student is officially enrolled in the required professional training courses each semester through UWM, they will not be allowed in the hospital setting.**

**When registering for UWM courses use LEC 102 and FLD 902 (clinical education)**

**"DMI" abbreviation stands for Diagnostic Imaging in PAWS**
