

Diagnostic Medical Sonography Professional Training: UWHC ECHO/VASCULAR

When registering for classes, use section codes LEC 103 or FLD 903 (clinical education).

DMI abbreviation stands for Diagnostic Imaging in PAWS.

JUNIOR YEAR

Fall Semester	Credits
DMI 310 Intro to Diagnostic Med. Sonography	3
DMI 336 Cardiovascular Principles I	4
DMI 337 Clinical Education I	3
DMI 450 Vascular Sonography I	3
DMI 454 Intro to Fetal Echo	3
Total	16

Spring Semester	Credits
DMI 323 Sonographic Principles & Instrumentation	3
DMI 340 Embryology of the Cardiovascular System	2
DMI 341 Adult Echo-Valvular Pathology	3
DMI 342 Clinical Education II	3
DMI 451 Vascular Sonography II	3
Total	14

Summer Semester	Credits
DMI 345 Pediatric Echocardiography I	3
DMI 346 Adult Echo-Cardiomyopathies	2
DMI 347 Clinical Education III	3
Total	8

SENIOR YEAR

Fall Semester	Credits
DMI 435 Adult Echo-Advanced Pathology	3
DMI 436 Pediatric Echocardiography II	3
DMI 437 Stress Echocardiography	3
DMI 438 Clinical Education IV	3
DMI 455 Vascular Sonography III	3
Total	15

Spring Semester	Credits
DMI 439 Clinical Education V	4
DMI 441 Special Procedures in Echo	3
DMI 458 Seminar-Advanced Imaging	3
DMI 460 Seminar in Professional Development	3
DMI 463 Seminar-Education/Management	3
Total	16

- Potential employers will perform comprehensive background checks and drug screens on any job seekers.**
- The Program will perform background checks and drug screens on all students admitted to the professional major.**
- Email Bill if/when questions arise: muellew@uwm.edu.**

This planner is provided as a guide for selecting courses in upcoming semesters. Listed courses are based on your degree requirements and individual needs to meet prerequisites and GERs. It is possible these courses differ from those listed as official degree requirements documented in the UWM Undergraduate Catalog and the College of Health Sciences Program Descriptions. This form does not serve as verification of graduation requirements. Should a discrepancy occur between the published requirements and planner, please contact your advisor for clarification. Students are responsible for understanding their degree requirements and verifying the accuracy of this information.
