University of Wisconsin Hospitals & Clinics (UWHC) in Madison, WI

Students who have applied and are accepted by the UWHC Radiologic Technology program follow the two-year professional training curriculum (six semesters) outlined below. **Students enroll in these courses through the UWM Enrollment Appointment registration system (PAWS).** It is critical that students select the courses associated with the hospital site that has admitted them. Unless a student is officially enrolled in the required professional training courses each semester through UWM, they will not be allowed in the hospital setting.
