| HCA 542 Healthcare Database Design and Management | 3 | Electives | 3 |
| Total Credits 15 | | Total Credits 15 | |

- Students are required to earn a grade of "C+" or higher in all HCA and HS courses, with the exception of BMS (HS) 301-305.
- A grade of "C" or higher is required in all other courses included in the HCA major.
- Students who twice earn a grade lower than these requirements in any course required in the major will not be admitted to the major, and if previously admitted, will be dismissed from the HCA major. A third attempt to take any of the required courses will not be allowed.
