

Radiologic Technology Professional Training

Ascension All Saints in Racine, WI

Ascension All Saints begins professional training instruction in SUMMER with students graduating in May. Students admitted by All Saints follow the two-year curriculum (six semesters) outlined below and enroll in these courses through the UWM Enrollment Appointment registration system (PAWS). It is critical that students select the courses associated with the hospital site that has admitted them. Unless a student is officially enrolled in the required professional training courses each semester through UWM, they will not be allowed in the hospital setting.

When registering for All **Saint's** courses, use section code 106 or 906 (clinical education).

"DMI" abbreviation stands for Diagnostic Imaging in PAWS.
