Every summer, University Housing partners with more than 30 Milwaukee-based corporations to provide housing options in Cambridge Commons for summer interns. We provide an affordable, safe, and relaxing home for interns as they prepare for their professional experiences. Sponsoring companies have confidence that their summer interns are being housed in an engaging environment with other young, emerging professionals.

More than 300 intern residents live in standard or upgraded suites in Cambridge Commons.

**STANDARD SUITES** include a full-size refrigerator and offer two bedrooms with beds, dressers, and desks in each bedroom. (Linens are not provided). The in-suite bathroom is shared by suite occupants.

**UPGRADED SUITES** include additional space and the luxury of a furnished living room and full kitchen with appliances and breakfast bar.

Cambridge Commons is climate-controlled, and houses a fitness center, laundry facilities, conference and meeting rooms. All resident rooms are equipped with cable television and Wi-Fi internet access at no charge. Televisions are not provided in the suites, but are part of the floor kitchen lounges. Limited parking is available at Cambridge or at nearby Kenilworth Square Apartments.

The exterior features a large patio and courtyard for recreational time and is located along the Milwaukee River. Our intern residents appreciate the convenience of staying on our diverse campus while being close to the vibrant Eastside, Milwaukee Lakefront, and downtown. Our 24-hour Service & Security Desk operations provide a safe and secure environment for our summer residents.

The Panther Passport, also known as the Gold Card, is a declining balance card to use for services around campus. Locations include but are not limited to: the laundry centers at the housing residence halls, the service desk registers, the Panther Shop, the Grinds (coffee shops around campus), and any dining service unit in the Union, Sandburg, or other campus buildings. Many local businesses have also started to accept this money.

In University Housing we also use it as your ID to quickly get our guests into the building while still ensuring building security and safety.

Adding money to your Gold Card:
1. If you have cash, take the card to the laundry center in your residence hall, or other building on campus that has a Cash Value Center (CVC) machine.
2. Swipe the Gold Card at the CVC.
3. Add either a one, five, ten, or twenty dollar bill to the machine.
4. Press end and the money will be immediately added to your Gold Card.

If you want to add money by credit card ($20 minimum), you can do so online at Get.Cbord.com.
1. You will need your credit and your gold card.
2. Login in with your last name and the 11 digits from your Gold Card.
3. Follow steps to enter credit card information and amount.

Any service desk staff, cashier, or CVC can tell you the balance on your card at any time. We recommend you only put on as much as you think you’ll need. You can add more at any time. Service desk staff cannot refund any money to you. You can spend it down to zero at any of the outlets on campus or off campus. If you put too much money on your Gold Card and would like to get a refund, you can call the Panther Card office in the Union at 414-229-2231.

For general questions regarding using the CVCs and other machines, contact your Service Desk staff.
