Congratulations on your plans to attend the University of Wisconsin-Milwaukee! We are excited that University Housing could be called your home for the 2022 summer term! This document contains the UWM University Housing Summer Contract Guidebook terms and conditions, which you should submit electronically at the point you wish to contract for housing. We strongly encourage you to carefully review these legally binding terms, so you understand your responsibilities as a contract holder.

If determined eligible for summer housing, room assignments will be made based on a first-come, first-served basis. Due to the nature and size of our summer housing program, this process is unlike the lottery process for academic year assignments. University Housing will communicate with you via your UWM email, or at the address you provided if a non-UWM student, once your summer room assignment has been made.

Thank you for your interest in University Housing!

Kari Dawson
Assistant Director-Business Administration

UWM SUMMER HOUSING CONTRACT TERMS

The Board of Regents of the University of Wisconsin System on behalf of the University of Wisconsin-Milwaukee ("UWM") and the UWM Real Estate Foundation, Inc. grant you a limited license to occupy the room assigned to you by University Housing in UWM's Summer Housing ("Summer Housing"), is subject to the terms and conditions below.

UWM University Housing will not make any oral agreement or oral representation to you, the student, or any person acting on your behalf. The Department will not rely on any oral representation from you or any third party concerning any University Housing Contract. The entire University Housing Contract is expressed in writing and supersedes any understanding that may have been communicated orally or implied. Neither you, the student, nor the Department are relying on any oral or implied agreement, representation, or understanding of fact or law that is not expressed in writing.

You agree that there will be no modification of this contract without the written consent of University Housing. Any request for modification of the contract (i.e. cancellation of contract prior to assigned date of entry, termination of contract on or after assigned date of entry, room change, etc.) must be requested in writing and submitted to the University Housing office for approval. Verbal and/or pending requests do not constitute a change in the conditions of the contract. You may not assign or allow others to use the space covered by this contract.

COVID-19: As you know, at this time, the country, including southeastern Wisconsin and the Milwaukee area, is experiencing a COVID-19 outbreak. Living in campus housing could increase your risk of contracting COVID-19. By submitting your Contract, you are acknowledging you understand this risk.

A. ELIGIBILITY TO RESIDE IN SUMMER HOUSING

1. You must be an enrolled UWM student attending a minimum of one (1) four (4) week summer session. Course enrollment will be verified by University Housing at the time your Online Contract is received.

2. Exceptions to eligibility that do not require enrollment in summer session(s) include:
   a. A UWM student participating in any University-sponsored internship with a Milwaukee-based firm (proof of internship required);
   b. A UWM student-employee (a formal letter from your employer is required);
   c. A UWM student-athlete required to be on campus (a letter stating specific dates from a coach is required);
   d. A UWM international student with approved VISA dates covering your occupancy in Summer Housing (proof of an active VISA may be required).

Notwithstanding the above, University Housing reserves the right to reject, cancel or terminate your housing contract if at any time you are no longer enrolled for Summer Courses or fail to meet eligibility as outlined in Section A above. Please refer to Sections E and F for additional information on cancellation and termination fees.

Your eligibility status will be verified at the time your Online Contract is received by University Housing. If you are not enrolled at the time your Contract is submitted or fail to provide documentation of eligibility, University Housing reserves the right to administratively cancel (reject) your Contract due to ineligibility and cancellation fees would apply. You can provide proof of extenuating circumstance to university-housing@uwm.edu if you are not able to register for classes by your requested arrival date.
B. FRESHMEN RESIDENCY REQUIREMENT

The University of Wisconsin-Milwaukee requires all first-time freshmen to live in University Housing residence halls, where availability allows. Please review the residency policy online at uwm.edu/housing/students/residency/. If you are starting your academic career during the summer term as a new freshman, this policy applies to you for the fall and spring semesters, and you would be required to reside on campus or file for an exemption.

If you wish to request an exception to the Residency Requirement for the academic year (fall and spring), you must submit an Exemption Request Form to University Housing. The priority deadline for requesting an exemption for the academic year is May 1, 2022, for Semester I and December 1, 2022, for Semester II (spring only entries). This applies only to those seeking exemption for the 2022-2023 Residency Requirement. This Summer Contract is optional.

Failure to make payment under this Contract may result in some or all of the following: a "hold" being placed on your PAWS account which could restrict your enrollment and receipt of records/transcripts; denial of room reassignment requests; termination/eviction; any other action permissible by applicable law and/or UWM policies and procedures (collectively, "UWM Policies").

   c. have failed to properly complete this Contract and/or submit required documents;
   d. have demonstrated by past or current behavior, an unwillingness or inability to fulfill the conditions of this Contract; or
   e. have demonstrated by past or current behavior that your presence in the Residence Halls may pose an unreasonable risk to yourself or others.

3. In the event of cancellation, fees equal $25, regardless of the submission date.

F. TERMINATION OF CONTRACT
1. You may terminate this Contract by completing a Summer Contract Adjustment Form online (uw.edu/housing). Termination of Contract applies after the cancellation deadline or after the start of your Contract Assigned Date of Entry. Termination request must be submitted online no fewer than 2 business days prior to your intended vacate date. You are responsible for providing proof of special circumstances warranting termination to University Housing. If, following an approved termination, University Housing determines that your reason(s) for terminating your Contract was or is no longer valid, your Contract will be reinstated, and you will be responsible for all charges associated with this Contract.

   a. University Housing, in its sole discretion, may decide whether to grant termination of Contract. Reasons that University Housing may approve termination include, but are not limited to, the following:
      i. graduation, as long as your requested Termination Date is the same or later than the posted graduation date;
      ii. assignment to a UWM-sponsored internship or other program which requires living outside of Milwaukee County;
      iii. withdrawal or transfer from UWM;
      iv. called to active military duty; or
      v. are not eligible to participate in University Housing due to a committee finding by UWS Administrative Policy 136.

   b. University Housing may also initiate termination. Causes for administratively-initiated termination include, but are not limited to:
      i. any/all of the reasons detailed in section E above;
ii. inappropriate actions and/or behavior;
iii. past or current behavior that demonstrates your presence in the Residence Halls may pose an unreasonable risk to yourself or others;
iv. failure or refusal to maintain the assigned room in good condition;
v. failure to comply with UWM Policies; or
vi. ceasing to be a UWM student in good standing (e.g. academic dismissal).
c. If University Housing approves your termination request and/or initiates termination, your termination date (the “Termination Date”) will be the date provided in University Housing’s notification/approval of termination. You must vacate the Residence Halls by the Termination Date. In the case of a serious violation of law and/or UWM Policies, or a reasonable belief that a threat exists, you may be required to vacate within 24 hours. In the event that you file an appeal, you must still vacate by the Termination Date.
d. You will be charged a prorated daily rate based on your assigned room type until the later of (i) the Termination Date and (ii) the date on which all keys issued to you, if any, are returned and you have vacated the premises (the “Effective Termination Date”).

2. Termination Fees/Penalties
   a. If University Housing APPROVES your termination request:
      i. Your room charges will be prorated through and including the date you vacate University Housing;
      ii. You will be billed any applicable room and common area damage charges.
   b. If University Housing terminates your Contract, or if your termination request is NOT APPROVED by University Housing and you vacate:
      i. You will be billed 100% for room charges through and including the date you vacate University Housing or for the minimum four (4) weeks of your contract period, whichever is greater and 85% of room charges for the remaining duration of the contract;
      ii. You will be billed any applicable room and common area damage charges.

If your contract is terminated by University Housing due to inappropriate actions and/or behavior, charges will apply as detailed in Section (F)(2)(b).

3. Failure to occupy/use assigned room
   a. You are liable for charges from your contract submission date until your Contract is terminated pursuant to the terms set forth in Section (F)(1) above, whether or not you are actually in residence or otherwise physically occupy the room. Failure to use an assigned room does not constitute a change in Contract status or alter your financial obligations in any way.

G. SUSPENSION OF CONTRACT
You are not entitled to a reduction in amounts owed pursuant to this Contract for absences due to extended leaves (e.g. hospital stay, vacations). University Housing reserves the right to temporarily suspend this Contract without notice in the event of an emergency which would render the Residence Halls unsafe to persons or property. If such an event lasts more than three days, you will be refunded a prorated amount for the period that occupancy was denied. In the event that your occupancy is suspended due to your violation of law and/or UWM Policies, you will not be entitled to any refund for the period occupancy was denied.

Restaurant Operations may suspend operations or change the location of its operations as a result of an emergency or during any recess period.
H. VACATING & ABANDONED PROPERTY

Your occupancy period ends (your “Occupancy End Date”) on the earlier of:

1. Your approved Contract departure date,
2. No later than 24-hours immediately following the last day of classes of the final summer session you are enrolled,

2022-2023 CONTRACT HOLDERS: If you have submitted a 2022-2023 contract and your summer session ends on August 20, 2022, you are eligible to request an Occupancy End Date of August 28, 2022, (Residence Halls) or August 31, 2022 (Kenilworth Square Apartments). This would allow you to remain in University Housing through the start of your 2022-2023 Academic Year contract.

If you contract to continue to reside in University Housing until the start of your 2022-2023 Academic Year contract, you will be required to move to your fall assignment starting August 17-19, 2022, or a date otherwise communicated to your UWM email by University Housing. The move from your summer assignment to your fall assignment will be considered the start of your 2022-2023 Academic Year contract, and you will be required to abide by those contract terms related to Cancellation.

Summer charges will be applied through August 27, 2022, or your 2022-2023 assigned date of entry, whichever comes first.

You will be notified, by email, in advance by University Housing of your scheduled move date so that you may make necessary arrangements. It is expected that you will be available to move during August 17-19, 2022. Your Summer Housing contract must reflect an end date of August 27, 2022, to be eligible to transition to your Fall space. Kenilworth residents for the 2022-2023 Academic Year may transition to their permanent Kenilworth room as early as August 1, 2022 if space permits. Students would be responsible for their Kenilworth charges from the assigned date of transition/Kenilworth move-in.

Summer residents who subsequently cancel their 2022-2023 Academic Year contract must also vacate by no later than 12:00 pm on August 20, 2022, regardless of the original approved contract departure date. Late or improper departure penalties will be applied.

When vacating your Summer room, you must follow the written instructions provided to you. This includes returning your keys as designated, removing personally owned or rented furniture and equipment, waste, and debris, and leaving the room in an acceptable, clean condition with all furnishings intact. A room inspection by University Housing will serve as the basis for check-out charges or refunds. You will be assessed a service charge if additional housekeeping and/or removal of belongings is required. Any property left in the University Housing facilities after the Occupancy End Date will be removed. If not claimed within seven (7) calendar days after the Occupancy End Date, it will be considered abandoned and will be disposed of accordingly.

Penalty charges are assessed for failure to vacate on your stated departure date. Lock changes may occur at your expense for lost and/or unreturned keys. Rates are as follows: $75 improper check-out fee, $75 per room key, $15 per mailbox key.
I. DAMAGES
You agree to pay for any damages to the Residence Halls, including for fire, damaged or missing furniture, lost property, or service costs caused by your negligent, intentional or reckless actions and those of your guests. Where two or more residents occupy the same room and responsibility for damage or loss cannot be ascertained by University Housing, the cost of damage or loss will be divided and assessed equally between or among the residents of the room. University Housing reserves the right to assess common area damage among residents of any room/floor/community and/or building.

**It is recommended that you have sufficient homeowner’s and/or renter’s insurance in place.**

J. NO LANDLORD TENANT RELATIONSHIP
This Contract pertains to dwelling units operated by the UWM whose occupancy is incidental to the provision of educational services. Occupancy is contingent on concurrent enrollment and good standing at UWM. This Contract only grants a limited and restricted license to occupy a dwelling unit and is not subject to any of the provisions of Wisconsin Statutes Chapter 704 or Wisconsin Administrative Code Chapter ATCP 134.

K. LIABILITY & INSURANCE
UWM, the UWM Real Estate Foundation, Inc., and their officers, employees, and agents (collectively, the "Covered Parties") will not provide reimbursement for you or your guests’ personal property resulting from loss, theft, water damage, vandalism, or any other perils, unless damage results from the acts, omissions, or negligence of a specific University employee.

You agree to hold harmless the Covered Parties from any and all liability, including claims, demands, costs, damages, and expenses of every kind and description (including death) for damages sustained by you or others as a result of your acts or omissions, including those that relate to changes or modifications made by you to your room or furnishings such as bookshelves, partitions, or other structures. This means that you are financially responsible for injury to another party, or damage to their property, as a result of any equipment or items you have constructed, created or purchased, and that you will pay any resulting claims on behalf of the Covered Parties. You also further agree to accept all such responsibility for your guests and will accompany your guests each time they visit any UWM Residence Hall.

**In light of the above, it is recommended that you have sufficient homeowner’s and/or renter’s insurance in place.**

L. FINANCIAL APPEALS
If you believe that you were charged incorrectly, you should contact University Housing immediately to discuss the matter. If the matter remains unresolved, you may file an appeal with the Financial Appeals Committee (see [https://uwm.edu/housing/policies/forms-publications/](https://uwm.edu/housing/policies/forms-publications/) for details on the appeal process). You have 120 days to file a financial appeal from (i) the date the disputed charge was posted to your UWM PAWS account (if you are a UWM student) or (ii) the date of the University Housing invoice you are disputing (if you are not a UWM student). Appeals for charges older than 120 days will not be reviewed except as required by law.
M. ROOM ASSIGNMENTS & ROOM CHANGES

Your Contract is for a room as assigned by University Housing in its sole discretion, not for a particular requested room or building.

University Housing does not discriminate in room assignments or any other decisions on the basis of age, ancestry, arrest or conviction record, color, disability, gender identity/expression, veteran status, marital status, national origin, pregnancy, political affiliation, race, religion, sex, or sexual orientation.

At the discretion of University Housing, some rooms may be assigned over their stated occupancy.

University Housing also reserves the right to consolidate room assignments based on vacancies.

University Housing reserves the right to change room assignments, to assign roommates, and to consolidate room assignments based on vacancies, at any time in its sole discretion. You may not change rooms at any time without prior written approval from University Housing. Unauthorized room changes and/or failure to change rooms at a designated time may result in you being required to move back to your authorized assignment, an improper-move charge of $75, and/or disciplinary action.

N. REASONABLE ACCOMMODATIONS

Residents with disabilities who seek accommodations or modifications to a Residence Hall space (e.g. an accessible shower stall, doorbell with flasher) and/or UWM Policies must notify UWM Accessibility Resource Center (ARC) by applying for accommodation and supporting documentation online at https://uwm.edu/arc/apply/.

O. RULES AND REGULATIONS

You, your guests (if applicable), and any other guests are required to observe all applicable laws and UWM Policies. This includes, but is not limited to, laws, regulations, policies, procedures and guidance implemented in connect with the COVID-19 pandemic (e.g. restrictions on permissible use of facilities, occupancy limits, social distancing measures, testing, and face-covering requirement).

P. VACCINATIONS & HYGIENE

Wisconsin law [sec. 36.25(46)] requires students who reside in the Residence Halls to affirm that they have received vaccination against meningococcal disease and hepatitis B, and to provide the dates of vaccination, if any.

While living in the Residence Halls, you are responsible for your own self-care including appropriate personal hygiene, physical and mental health, management of medical conditions or illnesses, and other personal needs. You are expected to utilize the various resources available to you to provide this care for yourself. If you are unable to meet these self-care expectations and/or you cause harm to yourself or others, you may be asked to adhere to an action plan and/or vacate the Residence Halls.
Q. **ROOM ENTRY**

Authorized personnel may enter your room for serious life- or health-threatening emergencies at any time, including over recesses. Authorized personnel may enter your room to perform requested, preventive, prescheduled, or emergency maintenance, to assess for any damages after you have vacated, or, in the absence of occupants of the room, to silence a disruptive noise. When possible, advance notice of room entry will be given. University Housing employees are required to report any violations of this Contract, applicable law and/or UWM Policies, they observe when in your room.

Property can be seized and removed from your room when it constitutes an imminent danger or when its presence is in violation of the law or the Resident Handbook, when it is University-owned property, or when staff have evidence that an unauthorized pet is in the room. Law enforcement officers may enter your room and seize your property as permissible by law.

R. **PANTHERCASH (FORMERLY GOLD)**

PantherCa$h is a separate account from your residential Dining Dollars and must be presented when purchasing good and services using your UWM PantherCard ID or PantherCard Mobile ID on your GET Mobile App. PantherCa$h may be used for food purchases at UWM restaurants and for other UWM campus services (i.e. vending, WEPA printing, Housing laundry, Panther Shop, Student Union services, SARUP lab). Deposits must be added to your PantherCa$h account in advance of the service being rendered using your GET Mobile app, at the PantherCard Office (Union 198), www.uwm.edu/panthercard, or through a Cash Value Center (CVC) in laundry room facilities. PantherCa$h is the only method of payment for University Housing Laundry Facilities. All food purchases by students at UWM restaurants (excluding RESTORs) using your PantherCa$h are tax-free. Term of Use are available online at https://uwm.edu/retailservices/panthercard/. PantherCa$h is eligible for refund upon the students request through the Panther Card Office.
