

SFTCCC Hub Quick Start Guide

Access the hub

1. Navigate to sftcc-network-portal.vercel.app/login.
2. Enter your email address to submit request.

Complete your profile

1. Enter the code you received in your inbox.
2. Complete your profile to maximize what this hub is built for: working collaboratively to reduce the overload on families.

Navigate to “Pathways” tab

1. Click “pathways” to view the list. Click on the pathways if you would like to see descriptions.
2. Select “Join.”

Get connecting

1. Check out the directory to find partners.
2. Post a brief introduction in Pathways.

Key Hub Features

Network Directory

A searchable database allowing members to find partners, mentors, and collaborators across sectors.

Active Profile Features

Showcase your expertise, curiosities and interests so the hub can help make connections across the network.

Pathways

Focused on specific levers for change, this is where you'll find people who "get" what you care about and are game to co-create together.

Events & Announcements

Stay updated on pathway convenings, upcoming prototypes and connecting across pathways.

Resource & Information Sharing

Access shared work product, templates, toolkits, live meeting recaps and updates posted by community leaders and peers
