

Application

U1.0 Textbook Scholarship for First-Generation College Students

Description:

This scholarship is intended for first-generation college students who are identified as need-based students in pursuit of their first undergraduate degree. The purpose of the scholarship is to lessen the financial burden and improve student retention and graduation rates among first-generation college students. Students can request up to \$300 per academic year for text book purchase (paper or digital).

Eligibility:

- Identified as first-generation college students
- Enrolled UWM students seeking their first undergraduate degree
- With financial need (Financial need will be established either by FAFSA or the non-FAFSA reporting form)

Instruction:

Name: _____ Student ID: _____
